22 November 2022

To: All Our Friends in
Bruce Rock and Narembeen

Are you a passionate supporter of your town's school?

Now you can prove it by helping your school win some extra \$\$\$ for reading.

Our Community Challenge

We're holding our 8th annual Rotary Wheatbelt Swim for Reading on 5 February 2022, commencing at 12.30pm and challenging the Bruce Rock and Narembeen communities to participate (volunteer or swim) in the event and fundraise for reading at their school.

The community that gets the most people involved fundraising and on the day will win the Community Challenge prize. It's all about participation.

Pre-registering for the Swim & signing up for the Community Challenge is free and easy. [Go here and grab free tickets for all your family members who are coming on 5 February.](#)

About Sponsorship for the Swim

This year we have again partnered with Rotary Australia World Community Service so that we can offer not only tax-deductible receipts, but also matched funding. That's right, every dollar we raise together (up to \$1700) becomes two!

Please encourage all sponsors to use the online donation form at <https://donations.rawcs.com.au/49-2020-21>

This is the easiest way to obtain a tax receipt and secure the matched funding. Donors who enter their details in the form can choose to pay by credit card, bank transfer or cheque and all the instructions are in the form. In the Request(s) to Project Manager box, please name the school and swimmer being sponsored. The online form is also great for encouraging family and friends anywhere to support.

Cash donations are also accepted, however if you would like a tax receipt, please do use the online form.

Make a note of your donations tally in the online column or the cash column on the attached form.

About the Swim Event

The Swim will be held at the Bruce Rock Aquatic Centre on Saturday 5 February 2022, commencing at 12.30pm. We've brought our swim forward in 2022 to avoid clashes with seasonal swim competition events.

The Swim is a fun event where our Rotary team, schools and the community come together to promote a love of reading and fundraise for reading programs in participating schools.

Funds are raised through sponsorship of swimmers and all funds go to the nominated school(s). Kids who fundraise and participate (swim or volunteer) earn consideration for Rotary youth programs. We have sponsored nearly 40 kids to these programs so far

E-WA is proud to have provided significant discretionary \$\$ support to school reading programs over the last seven years and with your help we can do even more into the future.

We hope you can join us on the day to enjoy another successful Rotary Swim for Reading. To get the school fundraising off to a flying start, please find attached sponsorship and registration forms.

See you at the Swim!

Kero O'Shea
Love of Reading & Youth Director
