Student Incentive Scheme for 2018 Rotary Wheatbelt Swim for Reading

Our Rotary Wheatbelt Swim for Reading is on soon! We want to share news about an incentive scheme that we're offering young people aged 14-17, in order to encourage them to fundraise for and participate in the 2018 Rotary Wheatbelt Swim for Reading, which will be held at Bruce Rock on 25 March 2018, with registration from 10am.

Incentive #1 – Rotary Community Service Certificates

We will award Rotary Community Certificates to those who fund raise and participate in the Swim. These certificates will confirm that the recipient has supported their community and one of the participating schools by fundraising and taking part in the Swim. Community certificates are useful in many ways, including work experience and job applications.

Incentive #2– Places on Rotary Personal Development & Leadership Programs for Young People Aged 14-17

The Rotary Youth Program of Enrichment (RYPEN) is a popular leadership and personal development program for young people aged 14-17. We will book a number of places on the RYPEN program for those students aged 14-17 who excel in their efforts on behalf of the 2018 Swim. RYPEN places are in demand because the program is enjoyable, challenging and helps participants achieve their potential.
